Dear Josh,

Congratulations on your appointment to Rockefeller U. Based on rather old data, it seems a very good choice to me. If you feel sentimental (or curious) give me a ring when you come to N.Y. (212-280-3366 or 714-693-4046). I'm a part wife and a small daughter (aged 6), and (who knows) it may be nice.

Luttinger, G

Regards,

Quin
